Dr. Art + Design

Sculptors etc.

A few things that keep them above the rest according to owner Mitali are, "We specialize in aesthetic-design management from concept to implementation. All the ideas are undoubtedly original. We create. We innovate."

So if you're looking to bring life to your concrete surroundings, here you have your problem solved. They can work on any kind of space and their prices also vary depending on area, the project, requirements, effort, creativity etc. Therefore price on request.

Where: Bajaj Onyx, Ground Floor, Union Park, Off Carter Road

Contact: 26463373 / 9833591901

As the name goes, this is a Design studio and it is relatively new. This concept company boasts of providing a cure for mediocrity.

They haven't been doing an infinite list of projects yet, but (let's say) are on their way. Their latest creation is the Le Sutra off Carter Road which is still in the process of being overhauled.

At Dr. Art + Design it is not a single person but an entire team of professionals that work on a project together. Their team of resources embraces a host of Product, Space, Furniture, and Life Style Designers among the many, and also includes Artists, Muralists, and
